WEEK 1

On Sunday, our church began a combined adult Bible study entitled “Draw Near” as well as a sermon series on the Sermon on the Mount. The purpose of the study is to introduce into our lives the biblical practices that help us to draw near to God and live transformed lives as disciples of Jesus. These practices will include prayer, reading Scripture, silence, confession, hospitality, simplicity and more. We all live very busy lives and the introduction of more activities—even spiritual activities—can be daunting. Our goal is for each member of our church family to simply give ten minutes a day for four days a week to create the spiritual habits that help us to draw near to God and live as disciples. We believe over time the desire to draw near to God will go beyond those daily ten minutes and will expand over a lifetime. Here are the four ten-minute exercises for week one.

**Day One:** Take ten minutes to memorize 1 John 2:6. Begin to say this verse first thing in the morning.

Whoever claims to live in Him must walk as Jesus did. 1 John 2:6

**Day Two:** Take ten minutes to think of what it means to be a disciple of Jesus. Write down a one-sentence definition of what it means to be a disciple. Put that definition in a place where you will see it multiple times each day as a reminder of what you are striving to do.

**Day Three:** Take ten minutes to consider and then complete the following statement: I will find the greatest difficulty to walk as Jesus walked in this area of my life: \_\_\_\_\_.

**Day Four:** Take ten minutes to reflect on the impact living like Jesus would have on all the areas of your life (e.g. marriage, family, relationships, possessions, etc.) and complete the following sentence: Walking as Jesus walked would have the greatest impact on \_\_\_\_\_.
